## HOA Quarterly Update

*-Laura L. Carnrike, CMCA®, AMS®, Director of HOA Operations*

Happy Spring Kiln Creek! Last month we held our Annual Membership Meeting and gave 200+ residents an overview of our accomplishments over the last year. I'd like to go over several of the key items from our presentation for those residents who were not able to make it to the meeting but are reading our newsletter. We appreciate your continued support in making Kiln Creek the premier place to live on the Peninsula!

To start, I'd like to announce the winners of our Community Survey who each won one of the following prizes: Free dinner for two at our NEST Kitchen & Taphouse, Free night's stay at The Lodge, Free Fitness Session, Free round of Golf + Cart, Free use of Recreation Center, Free Golf Fitting.  
CONGRATULATIONS WINNERS:

James & Theresa Pixler, Matthew & Cassie Lythgoe, Brett Boothe, David & Natalie Mitchell, Linda Sanders, Robin Hilton, Valerie Foley, Sharon & Ray Wall, Silas Magee, and Robert Watkins.

I'd also like to congratulate the re-elected Board members, Dave Radcliffe, Jim Ogden, Jeff Verry, Sandy Pullen-Droessler & Marty Tate, who will each serve a 2-year term. We also have several new Board Officers. Please congratulate your 2019 Officers: Jim Ogden-President, Dave Radcliffe-Vice President, Jim Paddleford-Treasurer and Sandy Pullen-Droessler-Secretary.

At the annual meeting we touched on a few projects that are being worked on in the background but will continue to take a long time to come to fruition. These are the installation of new Crosswalks throughout the community, the renovation of our Jefferson entrance landscaping and the installation of a new Eagle's nest platform. These projects will take quite some time to complete as we have to work with the jurisdictions to implement two of these projects. The crosswalks and front entrance may take several years until we see completion. The Eagle platform, which will be installed behind Eagle Sound by the 2nd hole, may not take quite so long; however, we are working with Dominion Power to grant access, which could take a bit of time for proper documentation to be prepared. We will continue to inform you as major updates occur.

We discussed two of the biggest questions that we receive, which are 1) When are we expanding our fitness center and 2) When are we going to repair the walking trails? These are both projects that we are currently looking into and are being discussed at the Strategic Planning Committee level. We have done some test areas on the trails and are currently talking with contractors about different ideas for repairs.

We are also working on updating all of the landscaping at each neighborhood entrance, which is a project we wish to start in the near future. We will keep you posted as all of these projects evolve.

Another question we hear a lot is about security. Although our Association is not responsible for providing security, we are trying to do as much as we can within our scope of authority. We have come up with several things we have started to

implement including security tips in the email blasts, Courier Articles, upcoming "coffee with a cop" seminars for residents, and presentations for the community from local police precincts. Look for upcoming dates for these events in our email blast. Don't forget, the most important thing you can do is get involved with your neighborhood watch!

The most important item we discussed was to encourage you, the residents, to contact our office whenever you have any questions. There has been a lot of miss-stated information being passed around our community over the last few months. We tried to clarify a lot of the miss-information at the Annual Meeting, but if you still have questions about the budget, operations, or anything else, please make sure to obtain the facts from the proper source. The General Manager Chris Coleman or I are always more than happy to sit down with you and explain the answers to any questions you may have.

Our staff works very hard to make Kiln Creek the best Community for our residents, and we continue to win awards month after month! Over the last year we have won numerous awards in several different categories including wedding venue, hotel accommodations, dining, golf course and more! We hope all of our efforts make you proud to call Kiln Creek your home!! Here's to another great year!

## Kiln Creek Spring Yard Sale Saturday, April 6, 2019

This year our SPRING COMMUNITY-WIDE YARD SALE will take place on Saturday, April 6th (rain date April 13th) from 8 a.m. until 1 p.m. It's spring cleaning time! Clean out your closets, attics and get ready; it will be here before you know it! \*Residents in Newport News, please remember to obtain a yard sale permit from any NN Police precinct. There is a nominal charge for this permit. York County residents do not need a permit.

### GET READY FOR A SUCCESSFUL YARD SALE

Here are some suggestions from Sabrina Soto (HGTV's "Get It Sold"):

- Folding tables are the easiest to set up. Throw colorful tablecloths on top of your tables if they are not in good shape. Use any large for-sale items as extra display purchases.
- Put a price tag on everything. If there are multiple components, like a box of DVDs, post a sign stating the cost per item.
- Display eye-catching products in a prominent place that can be seen from the street. A large sign indicating a \$1 table with items for sale will also draw customers.
- Group like things – kitchen utensils, children's toys, electronics together. Run an extension cord from the garage so people can test gadgets.
- Dust and wash everything. If people believe the goods were taken care of, they'll be more likely to buy them.
- Promote pricier items, like cameras, by laying out all the pieces it came with. This includes manuals or Amazon descriptions.
- Stock your cashbox with change and have plenty of newspaper ready to wrap breakables.

Goodwill Industries will be at our Recreation Center parking lot from 10:00 a.m. until 2:00 p.m. for any leftovers you would like to donate or to accept any donations from your spring cleaning.

# COMMUNITY REVIEWS

By Sherrill Deese, Rules & Covenants Enforcement

The 2019 Community Reviews are underway. As we set sail into a new year the prospect of warm, sunny spring days is upon us and our thoughts go to spending time outside. Taking off the sweaters and coats and putting winter behind.

Once again it is time to remove all the signs of winter on our homes and bring back the beauty of our award-winning community for all to see. A few of the items that we will be reviewing are listed below for your convenience in preparing for your 2019 Community Review. Please be reminded that there is no way for us to know that you have planned the work unless you tell us. If you receive a letter but will need an extension, or have already planned work to be done, simply call or email me at [sherrill@kilncreek.org](mailto:sherrill@kilncreek.org).

We will continue sending out our "passed" postcards again this year. We love sending them out and hope that you enjoy them as much as we do! We look forward to sending many of them out again this year!

# Gardens, Fountains and Rock Gardens

*Jim Paddleford - BOD Treasurer and Chairman of Architectural Review Board*

Did you know that all vegetable or flower gardens less than 100 square feet (10x10, 8x12, 5x20 or similar) which are located in the rear of the property do Not require an ARP application? Anything larger, elsewhere, or if you will use netting, you must submit an application.

If you want to install a Rock Garden, you must submit an application which must have a plan and materials list attached. These are considered on a case by case basis according to the aesthetics provided to the lot. You may not cover your entire lawn with the garden; there should still remain some grassy areas.

Any fountain, fish pond or waterfall requires an application. They must not be allowed to stagnate and must be treated to keep mosquitos away. They should be appropriately sized for the lot and be attractive with low levels of noise to keep from disturbing the neighbors. The preferred location for all fountains and water features is in the backyard of a lot.

We will be embarking on a review and revision of the current ARB Rules and Standards in the coming months. If there is something you would like to see added, changed, or possibly deleted, please let the office know, as we value your input.

## RULES & STANDARDS UPDATES

*Jim Paddleford - BOD Treasurer and Chairman of Architectural Review Board*

We will be updating our Rules & Standards Handbook this spring/summer. We know some of our rules can be outdated and sometimes even cumbersome, which is why we update them every two years or so.

### WE ARE LOOKING FOR SUGGESTIONS

If you have any suggestions for changes or additions to our Rules & ARB Standards, please submit your suggestions to Sherrill Deese at [sherrill@kilncreek.org](mailto:sherrill@kilncreek.org). Thank you for your continuing efforts in making Kiln Creek such a great community!

### MEETING DATES

At This time we have not set any meetings dates, but will most likely be starting in April. Please check our email blasts and our website for meeting dates and times.

## Pickleball takes root in Kiln Creek!

Last October we held two “demonstration” days to introduce Kiln Creek residents to pickleball. A core group of enthusiastic beginners met regularly through some cold days this winter. Now, springtime is here and we are laying aside our gloves, coats, and stocking caps for some welcome enjoyable weather. We are playing regularly on Tuesdays at 5:00 pm, Thursdays at 9:30 am, and Saturdays at 9:30 am at the tennis courts adjacent to the Kiln Creek Owners Association, 970 Brick Kiln Blvd.

Pickleball is played with a perforated plastic ball similar to a whiffle ball and composite or wood paddles about twice the size of ping-pong paddles. It can be played indoors or outdoors, is easy for beginners to learn – but can develop into a fast-paced, competitive game for experienced players. The game has developed a reputation for its friendly and social nature.

If you couldn't make the demonstrations last year, we will once again offer interested people the chance to come out and learn about the game. We'll put a paddle in your hand and you can try it for yourself on Saturday, April 13th and 20th at 10:00 am at the tennis courts adjacent to the Kiln Creek Owners Association, 970 Brick Kiln Blvd. Or, you can join us at one of our regularly scheduled times on Tuesdays, Thursdays, and Saturdays. See you on the court!

## **KILN CREEK ELEMENTARY VOLUNTEER PROGRAM**

Kathy Schnepf, Volunteer Coordinator, Edgewater

ATTENTION KILN CREEK COMMUNITY MEMBERS: As COORDINATOR of VOLUNTEERS from the Kiln Creek community, I want to thank all those who have come out to volunteer at Kiln Creek Elementary School. Your time has truly been appreciated as you served to support students and teachers throughout the school year. Opportunities will continue as the school year winds down to include CLASSROOM, LIBRARY, CAFETERIA ASSISTANCE, and possibly some year-end SPECIAL EVENTS. Remember, you don't have to have a child in the school to volunteer.

Every other Wednesday VOLUNTEER DAY will continue; we will complete projects for the teachers, to include cutting, gluing, stapling booklets and laminating. Mark your calendars with these dates: 4/10 & 24, 5/8 & 5/22...0830-1030. Teachers have really appreciated our help on this; it's all work they don't have to take home and do.

CLOTHING TO CASH RECYCLING PROGRAM: Clean out your closets and help the school raise money by dropping off CLOTHING, FOOTWEAR, TEXTILES, and ACCESSORIES in Clean, Dry Bags that are tied close, into the large white collection bin in the school parking lot. "Help support the School and save the environment one bag at a time." This is an ongoing project; it will continue throughout the summer.

Continue to clip those Box Tops for Education and turn into me or the school. Equipment is purchased for the classroom or playground.

Thank you in advance for considering how you might serve the 700 children, and teachers, at Kiln Creek Elementary, over the remaining school year. "It takes a village to raise a child."

# KILK CREEK GARDEN ASSOCIATION

Our March meeting inspired us to clean out our closets with Michelle Grossenbaugh, professional organizer, giving us tips on how to declutter.

In April we will step back in time as we visit the lovely Edgewood Plantation in Charles City, VA. We will tour the plantation and then don an old fashion hat for a delicious lunch and tea. May will end our season with a luncheon at Schlesinger's in Port Warwick.

All meetings are the 2nd Tuesday of the month, September through May. Call 757-753-2843 to learn more about KCGA.

# REFUSE TO BE A VICTIM

Presentation given by Deputy First Class Shawn Kekoa-Dearhart

"The single most important step toward ensuring your own safety is having a personal safety strategy in place before you need it" (NRA's *Refuse To Be A Victim*).

The York-Poquoson Sheriff's Office is offering the NRA's Refuse To Be A Victim award-winning crime prevention program to the residents of Kiln Creek. "This program teaches the tips and techniques you need to be alerted to dangerous situations and to avoid becoming a victim" (NRA's *Refuse To Be A Victim*). This program will cover topics such as travel security, automobile security, home security, mental preparedness, and many more.

Come and join in this interactive training seminar and learn how to protect yourself and your property. All residents are welcome! Tuesday, May 21st from 7-9pm in our NEST Ballroom.

## SAFETY/SECURITY TIPS & REMINDERS

Home Safety Tips from Lt. Alison Funaiock,  
Newport News PD:

- 1) Create an updated home inventory spreadsheet including make, model, serial numbers, and photographs of items of value and keep this inventory in a safe place.
- 2) If you go out for the evening, turn on lights or a television so the residence appears occupied.
- 3) Remember to lock all doors and windows when you go out, even for a few minutes.

### Secure your Vehicle

- ✓ By leaving your vehicle unlocked, you are significantly increasing your chance of being a target of crime. You are also inviting your neighbors' vehicles to be vandalized.
- ✓ Remove personal belongings from your vehicle. If you can't remove an item(s), at least keep it away from plain view! If at all possible, garage your vehicle and keep the garage door closed and ensure the side door is locked.
- ✓ Do not leave your garage door opener in your vehicle parked outside. If your car is broken into, the garage door opener may provide access to your home.
- ✓ Do not hide a spare key in the car.

Personal Safety Tips from Lt. JP Smith,  
Newport News PD:

Plan your route, know where you are going before leaving. Try to walk places with your friends rather than alone. Stick to well-lighted, well-traveled streets. Avoid shortcuts through wooded areas, parking lots, or alleys. Take the safest route to and from schools, stores, or your friends' houses. Know where to go for help if you need it. Don't display your cash or any other inviting targets like pagers, cell phones, hand-held electronic games, or expensive jewelry and clothing. Carry your backpack or purse close to your body and keep it closed. Just carrying a wallet? Put it inside your coat or front pants pocket, not in your back pocket or in your backpack. Have your car or house key in your hand before you reach the door. If you think someone is following you, change direction or cross the street. If they're still there, move quickly toward an open store or restaurant or a lighted house. Don't be afraid to yell for help. Be alert in the neighborhood. Call the police 911 to report suspicious persons or suspicious activity.

## DID YOU KNOW???

We have started a "Did You Know" section of our email blast. Stay tuned each week for information regarding Kiln Creek and HOA living. These are just a few recent posts from our email blast:

**DID YOU KNOW** HOAs CAN BOOST THE VALUE OF YOUR HOME? Thanks to the targeted services and community control HOAs offer, homes in HOAs tend to sell at a premium relative to houses not in HOAs. That means that if and when you decide to sell, you'll be doing so at a higher price than you would get if you were in a non-HOA community. (source: <https://www.creditdonkey.com/why-hoa-good.html>)

**DID YOU KNOW** that Kiln Creek has won regional awards for best large HOA, best Golf Course, best Wedding Venue, and best Hotel? We are now awaiting the results of a contest to win more awards from Coastal Virginia Magazine!

**DID YOU KNOW** the Golf Course & Resort and our Association are all ONE entity and the entire entity together as "The Association" has ONE federal tax ID number and ONE budget? Our Association purchased the Resort in 2013, which deeded the Resort as common area. This means the Association is responsible for the upkeep & maintenance of all aspects of the Resort, and all operations benefit the Association. By operating as one entity we gain a number of economies of scale that allow us to utilize our resources more efficiently. It also means you have a lot of extra value added to your community: including a saltwater pool, a fitness center, tennis courts, hotel rooms, ballrooms, golf and our course our exquisite new restaurant NEST Kitchen & Taphouse!

**DID YOU KNOW** that social media can have a negative impact on our community? "...Social Media pages, such as Facebook and Twitter, should be utilized to make friends, meet your neighbors, share positive messages and create a sense of community, not as a sounding board to post negative or damaging comments about your HOA, its Board of Directors or community vendors. We all have the same end goal – to enhance the community resident experience and protect the value and integrity of the HOA. Let's work together to stop the negative postings on social media sites and make a concerted effort to promote positive, community-building messages that leave residents feeling proud of where they live." ### YANNAS' TAVERNA GREEK/MEDITERRANEAN RESTAURANT

Join us at Yannas' Taverna and taste for yourself why we were voted best on the peninsula.

A review from one of our guests

"Our entire family LOVES Yannas! The food is consistently amazing, the staff knowledgeable and attentive and the atmosphere laid back and comfortable. We love our family dinners here. I am a vegetarian and love that they have delicious options for everyone. Highly recommended."

Our menu offers many different items, our most popular items are our gyro, cooked and hand cut from the spit and our chicken souvlaki (marinated in greek seasonings) or our famous Greek salad.

Come on in and taste for yourself.
