

Our Mission Statement: To Protect, Enhance, and Maintain a Community of Excellence

HOA Quarterly Update

-Laura L. Carnrike, CMCA®, AMS®, Director of HOA Operations

As you read this, you'll easily recall just how close Hurricane Florence was to having a direct hit in our area. Although I know Hampton Roads has dodged yet another hurricane, it is only time before it happens. Please keep in your thoughts those affected by Florence.

For those of you living here since 1999, you know that Hurricane Floyd had the most dramatic impact on our Community. Residents were out of power for over a week and some residents homes had water damage. Irene and Isabelle also gave us a run for our money, but Floyd was the biggest in Kiln Creek's lifetime. After Floyd, massive pipes were installed in Lake #8 to increase the outflow of water from our lakes into the subsidiary waterways. A temporary pump was also installed by the City of Newport News to help move water out during big storms. The City is also planning to install a permanent pump, which will automatically turn on when the lakes reach a certain height. These measures have been taken so that we do not see the aftermath that Floyd left in Kiln Creek. Although we are not in a flood zone and even with these measures in place, we still see high lake levels with big storms. It is always important for our residents to be prepared when there is a threat of a tropical storm or hurricane. From what I saw this past week, our residents are ready for anything! I am glad Florence made her way away from Kiln Creek and am also glad to see our Community come together to help each other prepare!!

If you are not on our weekly Community email blast, you likely missed our helpful storm information. Please make sure you are signed up to receive the most up to date information on storms, openings/closing, community events, etc. See page 15 for information how to sign up. We also posted storm information on our website at www.kilncreek.org.

Since we had to cancel Community Day due to the storm, the Board and staff are trying to come up with ways to provide some of the fun at other activities we have planned. Please know that this decision was not taken lightly, and we appreciate your understanding that the safety of our

staff and residents comes first! We are re-scheduling the Community Cup Golf Tournament for November 10th at 9:00am. We will keep you updated about other activities or fireworks through our weekly email blast as soon as we know.

In June, Kiln Creek residents had a chance to socialize and meet new neighbors at our Annual Ice Cream Social at the Club. Residents lined up and filled their bowls with ice cream and toppings as high as they could! The event was a big success, and our residents packed the patio several times over! We can't wait for next year's Ice Cream Social!!

In July, residents took the free opportunity to have their old documents shredded at our annual Shred Day event! A Big Thank You to everyone who donated food to the Peninsula Food Bank!

We have several residents who are interested in playing pickleball. If you are interested in the sport and need someone to play with or want to learn how to play, please read the article on page 18.

Looking forward into the next few months, we are coming upon some of our favorite events! The first Saturday of October each year is our Fall Community Yard Sale; held on October 6th with rain date of the 13th. Oktoberfest will be held on Friday, October 26th. Sign up soon to save your spot! The first Saturday in November will be our Annual Craft Fair at the Kiln Creek Park on November 3rd. Come buy items for your home, holiday gifts, etc.! If you are a crafter and want to sell your creations, please contact our office now to sign up! Thanksgiving Dinner and Thanksgiving To-Go are a Best-Seller of ours! Make sure to get your order in as soon as you start seeing the sign up in our weekly email blast. These dinners go fast! In December, come have some Cookies with Santa on Saturday, December 15th. Don't forget to bring your cameras for pictures with Santa!

Here's wishing to all our residents having a wonderful Fall, and magical Holiday Season!

REMEMBERING EVELYN

Kiln Creek's long-standing board member, Evelyn B. Neiswonger, passed away on Monday, July 23, 2018 at the age of 81. She was born in New York City in 1937. She was a military wife who was preceded in death by her loving husband Paul. They spent 20 years traveling the country with the Army and settled in Virginia at our very own Kiln Creek!

Evelyn loved flowers and was a charter member of the Kiln Creek Garden Association started in 1994. She remained a member and helped with fund raisers, programs, and other garden club projects. She was always an active member in Kiln Creek and gave her time and talents on the Kiln Creek Board of Directors for over 10 years. She also chaired the old Social Recreation Committee where she planned social activities.

Evelyn was also active in Willow Point's Neighborhood Association where she was President for many years. Kiln Creek Will Miss You Evelyn, Rest In Peace.

***Follow Up* COMMUNITY REVIEWS UNDERWAY!!**

By Sherrill Deese, Office Manager & Covenants Enforcement

Hooray for cooler weather! I love this time of year. I can get outside to work on my flowerbeds and anything that needs to be addressed on my house. I don't live in Kiln Creek anymore, but I still keep my house up to Kiln Creek Standards.

Please remember that the reviews and follow ups are conducted to maintain the high standard of living our residents have grown accustomed to. We have a beautiful, award winning community that we all want to see stay that way!

New 2018 review processes: If you received a passed post card for your 2018 Community Review you will not receive a follow up review. The residents that received a 2018 Community Review notice will either receive a passed "Follow Up" post card or a follow up letter with the items that still need to be addressed. If you need an extension, all you have to do is contact me at sherrill@kilncreek.org. I also have residents contact me because they received a notice for work that they had already planned to do. Please be reminded that there is no way for us to know that you have planned the work unless you tell us. Communication is the key. Our office is always glad to work with you.

As of writing this article the following neighborhoods still need to have their follow up reviews which will be done by the end of November. We will also be conducting final reviews and scheduling formal hearings throughout the winter months.

Ivystone, Pinehurst, Players Choice, Waterford Pointe, Dunhill, Oakwood, Highlands, Edgewater, Royal Colven. Condo/Private Neighborhood Associations will have their Follow Up as indicated in the notice.

NAB/BOD Meeting Re-scheduled for November 7th

The Quarterly NAB/BOD Meeting set for October 17th has been rescheduled for Wednesday, November 7th at 7:00 pm at the Club.

We will send out email reminders closer to the date.

Thank you for your understanding.

Wildlife in Kiln Creek

As you already know, there is an abundance of wildlife in Kiln Creek! We have a plethora of wildlife that we can enjoy the beauty of every day such as birds, ducks, rabbits, chipmunks, squirrels, turtles and deer; but we also have animals we don't see as often such as raccoons, coyotes, bobcats and snakes. Yes, we have all of these wonderful animals throughout Kiln Creek at any given time, which is why we always need to be aware of our surroundings. If you are unfortunate enough to have one of the not-so-invited animals visit your home or maybe even one that has made their home too close your home, please contact Animal Control: Newport News 757-595-PETS (7387), Yorktown 757-890-3601.

Pictured below are our very own turtle rescuers, Mike Kopas and grandson Jaxson (who were helped by their neighbor John Cannon & our staff Susan Conklin to move the big turtle). This turtle was so big he took up the entire cooler! THANK YOU TO ALL of the owners who take care of our wonderful wildlife in Kiln Creek!

Active Shooter Presentation - Rescheduled

-Diana Smelt, PMP, Kiln Creek Neighborhood Watch Coordinator

The York-Poquoson Sheriff's Office will be bringing their Active Shooter Briefing to Kiln Creek on October 9th, at 7:00PM in the NEST Ballroom. Come and learn how to be prepared. All residents of Kiln Creek are urged to attend.

As we've seen in the news, random shootings have occurred shopping centers, airports, churches, and business offices. The Department of Homeland Security says, "...In most cases, active shooters use firearms(s) and there is no pattern or method to their selection of victims... Active shooter situations are unpredictable and evolve quickly... Because active shooter situations are often over within 10 to 15 minutes, before law enforcement arrives on the scene, individuals must be prepared both mentally and physically to deal with an active shooter situation."

Don't miss out on this valuable presentation!

KILN CREEK ELEMENTARY VOLUNTEER PROGRAM

Kathy Schnepf, Volunteer Coordinator, Edgewater

ATTENTION KILN CREEK COMMUNITY MEMBERS: The school year has begun and volunteers are needed throughout Kiln Creek Elementary. Call or email me to find out how you can become involved in making

a difference in our community. Opportunities include CLASSROOM, LIBRARY AND CAFETERIA ASSISTANCE, along with SPECIAL EVENTS that come up throughout the year. And remember, you don't have to have a child in the school to volunteer.

Thank you in advance for considering how you might serve the 700 children, and teachers, at Kiln Creek Elementary. "It takes a village to raise a child."

Hope to hear from you soon!

kathy.schnepf@gmail.com or 802-274-9477

Kiln Creek Book Club

The Kiln Creek book club is off to a good start with new members attending each of our meetings. We've had interesting discussions and are getting to know each other. We had to replace the book originally scheduled for October because it is out of print and not in our libraries. So, the books scheduled for the next three months are: October, *Stones from the River* by Ursula Hegi, November, *A Gentleman In Moscow* by Amor Towles and December, *The Nightingale* by Kristen Hannah. We welcome new members. Contact Kitty Kope at kittykope@comcast.net for further information.

Quilting Club

The quilting group meets twice a month from 6:30-8:00 PM on Wednesdays at the Rec Center. The group began meeting a year ago, and have completed several projects. We usually work on individual projects and draw inspiration from one another. Quilting is our passion but many of us also crochet or knit so if you are looking for a way to meet fellow crafters in Kiln Creek and enjoy some great fellowship, please feel free to join us! There are no fees to become part of our group. For more information, please contact: Elaine Johnson @ 847-912-1335, or email ejqlt2@yahoo.com.

Upcoming Meeting Dates:
October 5 & 19, November 14 & 28, December 5 & 12

Budget & Assessment Update

As part of the budgeting process, management and the Board review our Reserve Study to determine appropriate contributions to our Reserve Funds each year. Every 5 years, Homeowners Associations are required by law to have a Reserve Study conducted by a third-party consultant. Our Reserve Study was conducted this year; it is near completion and we are seeing our first glance of what to expect for 2019 contributions. The purpose of having reserve funds is to be able to pay for the cost of anticipated and typical replacements of the major components of the Association's physical plant; such as, renovating the Rec Center, path repairs and replacements, replacing irrigation throughout the community, pumphouse replacement, playground replacement, etc. Our Strategic Planning Committee will be meeting again soon to assess the Reserve Study and make suggestions to the Board for an updated Strategic Plan.

The Board of Directors and staff have also been busy working on the proposed 2019 Budget. We have had numerous discussions about the budget this year (and last) in preparation for our Reserve Study. Upon approval of last year's budget, the Board kept in mind that due to having no increase for 2018, we would more than likely need to increase assessments next year. At the September 27, 2018 regular meeting, the Board continued their budget discussions. Based on the preliminary review of our Reserve Study, the Board has approved an increase in assessments for 2019; with the amount to be determined at a later time.

Please keep in mind, as we write this article it is only the end of September; which means we have over a month to work through our budgeting process. Once we work with the Strategic Planning Committee and dive into the new Reserve Study, we will be able to better inform you as we get closer to finalizing the budget in late October/early November. The final budget will be approved in mid-November. Once the budget has been approved by the Board, it will be posted on the Kiln Creek website and available at the KCOA office for your review. After it has been posted online for 15 days, it is considered completely ratified.

We will keep you informed as soon as the budget is approved via our Friday email blast, our website and in your 2019 BB&T coupon book. If you are on ACH, you will not receive a hard copy notice from KCOA and will need to look for the update in our email blast or on our website. BB&T will automatically increase the monthly payments for those on ACH, per your agreement when you signed up and should be sending you an email with the information.

View the 2019 Proposed Budget online after the November Board meeting:

Website: www.kilncreek.org On the homepage, click on the 2019 Budget link Password: KilnCreekHOA

Don't forget there are FOUR EASY WAYS to make your Assessment Payments:

- 1 – MAIL PAYMENTS TO THE PROCESSING CENTER to the address on your coupon
- 2 – TAKE YOUR COUPON AND PAYMENT TO YOUR LOCAL BB&T BRANCH
- 3 – MAKE PAYMENTS ONLINE at www.kilncreek.org using the BB&T link
- 4 – SET UP ACH MONTHLY PAYMENTS THROUGH BB&T

Please remember that we DO NOT ACCEPT PAYMENTS AT THE KCOA OFFICE.

****Lakeside, Claymill Corner and Southlake residents are also be able to make both Assessment payments at the same time; please ensure you submit BOTH coupons together, as they have separate account numbers.****

****Thank you to all homeowners that pay their assessments on time. Your efforts are greatly appreciated! ****

2018 KC Swim Team – Making Waves!

The Kiln Creek Swim Team, Inc. had a splashing summer for 2018!! Lots of exciting new faces with 94 swimmers making great waves! Our team placed 6th at City Meet, breaking many pool records and having more fun getting wet. Swim team registration begins in April for summer 2019. Special thanks to all the wonderful parents, swimmers and coaches!

The Awards Banquet was held on August 5th, at which all swimmers received a trophy and a paper plate award from the coaches! A special award, the 2018 Trudy Grant Dolphin Award, was presented by Mr. Grant of Highlands, to swimmers Noah Boyd and Aliyah Stupar (pictured in top middle photo). This award recognizes team spirit and sportsmanship. CONGRATULATIONS SWIMMERS!! We will also miss all of our senior swimmers who have been an asset to our swim team for many years! Best of luck in the future.

Leaf Removal

It's that time again when leaves are starting to fall. We wanted to remind you that the piling of un-bagged leaves on your curb is strictly prohibited. By doing this, you are allowing your leaves to blow through neighbors properties and also allowing them to blow down our storm water drains. These extra leaves will flow into our lakes which can cause damage to our fountain systems. Please be courteous and follow the rules and bag your leaves. If it is noticed that you are piling leaves on the curb, or placing bags on the curb prior to the appropriate pick up time, you will be considered in violation and will receive prompt notice.

Newport News: All leaves must be placed into clear plastic bags to be picked up with bulk trash. Please do not place the bags on your curb until 5:00pm the Sunday evening before bulk trash pick up. You may also place leaves in your regular trash bin to be picked up on Wednesdays. (Only what will fit in the bin will be picked up on Wednesdays, not any extra bags.)

York County: York County does not have a weekly bulk trash pick up service; therefore, they schedule a leaf pick up every two weeks. All leaves must be placed into clear plastic bags. Please DO NOT place leaves on the curb until 5:00pm Sunday evening of the scheduled pick up week. At the time of writing this article, they have not set the starting date. Pick up typically starts the first full week in November. PLEASE contact Y.C. Solid Waste at 890-9780 to find out the start date for your neighborhood.

****If you live in a private neighborhood, please contact your management company for proper disposal of leaves.****

Storm Debris/Bulk Trash

Since Hurricane season is in full swing, we just wanted to remind you of the Newport News and York County Regulations for bulk trash pick up.

Newport News Storm Debris: Newport News's bulk trash collection will collect storm debris less than 6 inches in diameter. Please remember that bulk trash pick up is every other Monday. July, August & September pick ups are: July 2, 16 & 30 Aug. 13 & 27, Sept. 10 & 24.

Yorktown Storm Debris: Please note that Yorktown does not have a regularly scheduled bulk trash pick up. All storm debris must either be: a) placed into your regular trash bin, if it can fit, b) taken to the Y.C. dump, or c) called into Y.C. solid waste to schedule a pick up at 890-3780.

****Please also note that if you have had a tree come down, you still need to submit a notice in writing to the HOA office so we have documentation in your file that the tree has come down. Please note any trees that have fallen must be cut to ground level or ground out.**

Player's Choice by Sandy Embry

Hello friends and neighbors of Player's Choice. Where did summer go too?? It is school time again, let's be aware of the children walking to the school bus and getting into/out of cars at the entrance. Please drive safely, the speed limit is 25 MPH.

From your Player's Choice ARB Chairperson:

As we prepare for the soon-to-be-here Fall Season, just a reminder about changes incorporated last year in Players Choice architectural requirements. Our driveways and walkways are slowly deteriorating and as you make decisions about resurfacing or replacing, remember that aggregate is an approved alternative. Roofs are architectural style shingles, Weather Wood by GAF. Garage door colors seem to be an issue. They need to match the color of your siding...that's the easiest and best determination. Door and Shutter colors must be the same color, but can be any color that Kiln Creek approves. And that brings to mind "The Process". The Process is as follows:

- (1) Fill out a Kiln Creek ARB form and submit to Kiln Creek.
- (2) Once that is approved, send that completed form along with a completed Players Choice ARB form to Harrison & Lear. They in turn, submit it to Players Choice ARB Committee for Final Approval.
- (3) You are then notified whether the work can begin.

Complicated – not really. Annoying...sure, but what isn't these days, and we do live in a Deed Restricted community. What it does do however, is assure you that the changes that are made within the Village are tasteful and representative of the way we want Players Choice to remain.

Are there folks that don't comply? Yes, but rest assured that your Board and this ARB Chairperson are in the process, slow as it may seem, to address and correct these issues the best that we are able, legally.

Thanks to all of you for your compliance with "The Process". If I, or any of the other Board Members can be of assistance or can answer any questions, please don't hesitate to contact us.

My door is always open – feel free to call/text/or come by Karen Scarsdale, V-Pres/ARB Chair.

From your Player's Choice Social Committee:

Please save the date: December 9, 2018 for our Christmas Social. Further information will be coming soon.

**Our next scheduled Player's Choice Board and Annual meeting is as follows:
October 15, 2018 at 4:00 PM at the Kiln Creek Recreation Center**

Everyone (home owners and renters) are invited to attend Board of Directors meetings as well as the Annual Homeowners meeting. If you are interested in serving on our Board of Directors or any of our committees (Neighborhood Crime Watch/Architectural Review Committees or Social Committee), please contact Sandy Embry, Secretary at (898-4508). If you have questions or concerns regarding our community, please attend one of our meetings.

UPDATE TO ANTENNAE RULE

(Television & Communication Antennas)

The KCOA Board and staff are continuously educating themselves to keep up with local, state and federal laws. We all know that HOA's are not permitted to delay the installation of antennae/satellite dishes 1 meter or less in diameter. Therefore, in an effort to make the process of installing antennae/satellite dishes smoother, we have updated the current rule and have also created a separate form to fill out (instead of having to submit an application for exterior alteration).

The updated Rule and Form were approved by the Board at the September 27, 2018 regular Board meeting. You can find the updated rule and form on our website www.kilncreek.org, under the Management tab; Documents and Forms; "Antennae/Satellite Dish Rule & Form."

Holiday/Seasonal Decorations

Holiday decorations mean, "...those temporary decorations and lighting associated with a particular national, state, local or religious holiday. These decorations may be displayed for up to thirty (30) days before and fourteen (14) days after the applicable holiday. Inflatable decorations are permitted for holiday decorations only, not seasonal.

Seasonal decorations may be displayed during the calendar year's seasonal dates. Inflatable decorations are permitted for holiday decorations only, not seasonal.

Owners are urged to take care and exhibit consideration for their neighbors when displaying holiday, seasonal, or temporary decorations so as not to cause an unreasonable source of annoyance to occupants of neighboring property. Please contact the Association's office for special circumstances regarding holiday decorations.

Poetry Night with the Kiln Creek Social Group
in the new ballroom at NEST

Are you ready for some Pickleball?!

Pickleball is a fun court sport that has been described as a cross between tennis, badminton, and ping pong. It is played on a badminton-sized court by two people (singles) or, more often, four people (doubles).

It is played with a perforated plastic ball similar to a whiffle ball and composite or wood paddles about twice the size of ping-pong paddles. It can be played indoors or outdoors, is easy for beginners to learn – but can develop into a fast-paced, competitive game for experienced players. The game has developed a reputation for its friendly and social nature.

New players can learn the game quickly in a single session. No special apparel is needed – just something comfortable and appropriate

for a court sport. Paddles and balls are inexpensive and can be purchased at local sporting goods stores or through online retailers. Pickleball is a great sport for seniors but is also popular with all ages.

A group of local pickleball players will offer a demonstration and opportunity for interested people to learn the game and try it for themselves. We are interested in starting a group of active pickleball players right here in Kiln Creek. Come out and try it for yourself on Saturday, October 13th AND again on Saturday, October 20th, at 10:00 am at the tennis courts adjacent to the Kiln Creek Owners Association at 970 Brick Kiln Blvd.

Kiln Creek's Annual Holiday Angel Tree & Stuff-A-Stocking

'Tis the season to start giving again! We will be collecting gifts for the Angel Tree & Stuff-A-Stocking programs again this year! In November you can begin to stop by the KCOA office if you would like to participate.

You can pick up an angel off the tree for our **"Angel Tree Program"** and help to make a needy senior individual's holiday a little brighter.

You can pick up a stocking to fill for our **"Stuff-A-Stocking"** program for various aged children through the Salvation Army.

We will keep you posted through our email blasts once we receive the lists. Thank you for thinking of someone in need this holiday season!

"We make a living by what we get, but we make a life by what we give."
-Sir Winston Churchill

Q. ■ **What do I do if they missed my trash can?**

A. There are certain times that your trash can needs to stay on the curb a little longer, or it might have even been missed during the regular pick up; but there is no way for our office to know of these circumstances. If for any reason your trash can is on the curb before 5:00 p.m. the evening before pick up, or remains after 9:00 p.m. the day of pickup, please contact our office as soon as possible. This way we can make sure you are not sent a notice. Trash can and recycle bins are one of the most unsightly things in our neighborhoods, yet we all need them. We try very hard to make sure they are not visible except when on the curb for pick up.

Q. ■ **Can we still get our Rec Passes even though the pool is closed?**

A. Yes! Your Rec Pass is for your use of all of our facilities, including the fitness center which is open all year. You can stop by the HOA office to get your Rec Pass at any time! In fact, it is better to come in during the off-season while there are not too many people coming in. Get ahead of the game and stop by whenever you have a chance! Renters: please remember to bring a copy of your lease, and the KCOA tenant information sheet signed by the owner of the property.
